PERSONAL

GEORGE A. SOUTHWORTH with his wife and son and his father, Dr. Southworth will leave Thursday morning by auto on a business trip to Reno. The Doctor will stop off at Valley's Hot Springs to seek relief from rheumatic troubles, though he classes his affliction as an attack of "housemaid's knee." Incident to leading a bachelor's life for years.

SHERIFF JACK BARRIER returned this morning from the coast where he was called on official business.

MRS. MARGARET MEAD returned from a short visit to Reno this morning.

ELMER BERG was a passenger for Reno this morning after spending a few days in Tonopah on business.

REV. BREWSTER ADAMS returned to his home in Reno today. Mr. Adams delivered the Commencement address at the high school last evening.

W. W. BOOTH and HUGH H. Brown were among the outgoing passengers this morning bound for Chicago, where they will take part in the republican convention.

MRS. HARRY FIERCE returned today this morning from Sparks, where she has been for the past few weeks visiting her sister, Mrs. Dodson.

MRS. FRANK MEYERS returned today from Oakland where she has been attending her husband who has been ill. Mr. Meyers is rapidly recovering his health.

WANT BILL PASSED TO STIMULATE PRODUCTION

Urgency on the part of the mine coal mine workers as to whether the act resolution now before the house in Washington, D. C., will be acted upon before adjournment caused them to send the following telegram to the Bonanza this morning:

Washington, D. C., June 1.
Tonopah, Nevada.

Kindly refer immediately to congressional record of Saturday last, and note page 8511, one that through Senator Harding, our Ohio efforts in the interest of the public and coal miners as to assigned cars was successful in senate.

Notice further congressional record same date, page 8568, that action thereon in the house was delayed only through adjournment as there now remains but six legislative days.

Will you not ask your public and mine workers to immediately telegraph their respective congressmen to give the assigned car resolution now before the house their speedy attention and thereby stimulate coal production so that the public may get their winter coal at reasonable prices and the miners the work to which they are entitled.

JOHN MOORE, President Ohio Coal Mine Workers.
WALTER K. JONES, Legislative Representative of United Mine Workers of America.

VOTERS ATTENTION

County Clerk L. E. Glass in a statement yesterday said that voters had been misled regarding the registration for the coming primary and election.

Mr. Glass informs the Bonanza that all voters who are on the last great register and voted at the last general election do not have to register for the fall election. All voters who are on the last great register and did not vote will be required to register again as their names have been struck off.

SHIRLEY MASON IN DELIGHTFUL COMEDY

Shirley Mason, the charming screen star, will be seen today in a delightful comedy drama, "Molly and I," based on the successful novel of the same name, by Frank R. Adams. Miss Mason, as Shirley Brown has one of the most lovable roles of her screen experience, and her work is said to surpass her best previous efforts. An unusually strong cast supports the delightful little star. Shirley Mason, who is known to all as "95 pounds of personality, pep, and prettiness," has two sisters, known on the screen as Viola Dana and Edna Flugarth. Both of them are screen stars. Many families there are who have had more than three members of the family on the stage or screen; but so far as is known Shirley Mason, Viola Dana and Edna Flugarth are the only three sisters who have reached stardom. Shirley Mason scored heavily in "Her Elephant Man," which was shown here recently, but predictions of even greater success are made for "Molly and I," in which she has the most lovable character ever screened. Just out of her teens Miss Mason faces an enviable future. Added to the program will be the regular Wednesday Sunshine Comedy, "Hungry Lions and Tender Hearts," making a program that is hard to beat.

Tomorrow, Elaine Hammerstein, in her latest production, "The Shadow of Rosalie Brynes."

Comins, Douglas Fairbanks. Watch for announcement.

CONTROL OF WHEAT OUT OF FEDERAL HANDS

Associated Press.
WASHINGTON, June 2.—The federal control of wheat and wheat products was ended today when the wheat director ceased to function under the limitation of law creating his office and food administration control ended by proclamation of President Wilson. This means the passing of the government guarantee of a \$2.20 bushel for wheat that was established during the war as a means of stimulating production. Officials said that the grain corporations had operated at a slight profit but the exact figures are not known until the affairs are wound up.

AUTO TURNS OVER MOUNTAIN GRADE

HEALDSBURG, June 2.—A peculiar automobile accident occurred near here a few days ago, when a party of four in a large touring car went off a mountain grade while speeding, the machine turning over four times completely, landing right side up among large boulders in a gully several hundred feet from the road.

When the dust cleared it was found that a woman of the party was beneath the car, and the floor boards had to be removed to permit her to get out. She was unhurt.

The driver, who remained in the car while it rolled, was the only one injured and he received a cracked rib. The car was later towed back to the road and it proceeded to a garage under its own power.
